

## Storage Space Rental Singapore

Posted by mohammedyusri - 2021/05/06 09:30

---

D Storage Pte Ltd provides Storage Space Rental Singapore services in Singapore. I chose them because it is near my workplace and therefore convenient for me to go down anytime if I needed to pick up or put some items there. I am keeping some household items, files and documents and some other miscellaneous like tables and chairs. No contract and I can discontinue whenever I want. Payment is on a monthly basis.
